

Friday 24th September 2021

We offer our three course Christmas Feasting Menu to any booking of 8 or more, from December 1st until we close for Christmas, following lunch on December 24th. We're sorry but we cannot offer our a la carte menu to tables of 10 or more over the festive season.

There are five menus, all structured around a central beast or fish, with food served in a feasting style on sharing platters. Please select one menu for the whole group to share. Vegetarians are catered for separately.

The menus have been created for a balanced feast. Should you wish to swap starters or desserts with a different feast, this is possible with all but the Goose Feast.
